ASA PUBLIC SAFETY EDUCATION PROGRAM KICK OFF

The ASA will kick off its PUBLIC SAFETY EDUCATION PROGRAM at the [Sand Sport Super Show](#) in September.

The program is designed to increase the public's awareness of the rules and regulations which apply to the ISDRA. The DUNER'S SURVIVAL KIT, a bag which resembles the checkered flag, will be distributed to Sand Show visitors.

The kit will introduce the ASA public safety theme:
FOCUS ON SAFETY--BE RESPONSIBLE --BE SAFE

The mascot of the public safety education program -----THE SAFETY BUG---- will also be introduced at the show. Come to the sand show which will be held at the Orange County Fair Grounds on Sept. 21, 22, and 23 and CATCH THE BUG!

There is a bug heading your way. This bug is very powerful.
So, catch the bug - the Safety Bug.

Please welcome this bug into your families and groups.
Safety Bug will be around to raise awareness and educate.

The Safety Bug is the official mascot of the public safety and educational program embraced by many organizations and businesses.

CATCH THE SAFETY BUG!

Sand Sports Super Show (SSSS)

We need volunteers to work the [Sand Show](#). We plan on having 25,000 custom printed plastic bags stuffed with ASA literature for a handout. We need people to stuff the bags and man the entrances so that every attendee of the show gets one. We also need volunteers to man the booth, answer questions, and sign up new members and chapters.

Contact [Jim Collins](#) to volunteer to help with the Show that runs September 21-23rd.
